Always inspired by nature and the organic form, the construction is echoed with folded seam detailing and design lines.

The SS11 Sonya kashmiri range sees an introduction of deep cherry red, antique pink and ash black veg tanned natural leathers.

New styles include a day clutch, removable strap shoulder bag and small shoulder day bag as well as classics Miss Charlotte, Miss Biddy, Miss Loren, Miss Bet Davies, Miss Georgina, Miss Kitty and Pip.

An addition to the small leather items is a wide woven leather wrist bracelet with sterling silver details, taking the product range in a new direction.
